

- Online Backup is an easy-to-use service provided by SecureIT that automatically backs up the files on your PC using your WRT High-Speed Internet connection. (DOES NOT WORK WITH DIAL UP)

- Customers are emailed a “key” to download on their computer at their convenience. Takes less than 5 minutes to install via email link. Setup Wizard makes it simple! It includes the User Registration & Terms. Plus FREE 24/7/365 support - via phone, email or chat!

- Initial backup takes longer pending your PC - with daily backup app. 15 minutes. Can adjust bandwidth throttle - takes longer & little used or fast & full blown.

**Automatically
BACKS UP YOUR
Photos, Music,
Videos, Emails &
Documents**

- NO SET UP FEE, NO LONG-TERM COMMITMENTS.
- Files transferred using government-standard 128 bit SSL encryption to a state-of-the-art data center.
- Backup your Filters computer files - emails, photos, songs, videos, documents, etc. (Back up ALL of your computer files or pick & choose)

**SHARE YOUR
STORAGE!
Backup several
computers on the
same storage - home,
kids & office!**

- Restore data lost due to viruses, hard drive crashes, accidental deletions, natural disasters or transfer information to a new computer. (deleted files are kept 30 days after your most recent backup)
- “Set it and forget it” with automatic daily backups or customize backup times. Can also adjust throttle.

- WORKS WITH WINDOWS AND MAC. PLUS - Works on MULTIPLE COMPUTERS! Backup your PC, your kids, your home office, etc . No limit to the number of PCs, only the amount of space!

• **THREE LEVELS OF STORAGE: (*TRY 5GB FREE - FOR 3 MONTHS!)**

- **5 GB: \$2.95 monthly**
- **50 GB: \$5.95 monthly**
- **250 GB: \$14.95 monthly**

Ex. 50 GB storage = approximately 500,000 word docs, 12,000 songs or 14,000 photos.

- SecureIT will notify you when your backup storage is getting full & you need to either clean it up or bump up to the next level of storage.

* Must be a WRT High Speed Internet Customer. 5GB service FREE for 1st three months. Service will be automatically billed at \$2.95 per month after unless notified by customer. Service & liability provided by SecureIT. Some restrictions may apply.
