

# Uh-Oh!

got virus, spyware & all kinds of pc problems?

**NEVER FEAR - SECUREIT IS HERE!**

## + **SecureIT Plus PC Protection • \$4.95/month:**

Fully automated & guaranteed computer protection service for home or work. Start off with a professional installation done at your convenience by simply calling a trained technician who will install the service on your PC remotely for a one time fee of \$14.95, plus low monthly fee of \$4.95. Once installed, SecureIT Plus will do automatic PC Cleanup, Anti-Virus Protection, Automated Removal of Spyware & Adware, Automated Updates Installation, Automated Disc Maintenance & Optimization, Firewall Protection, Monthly Reports, FREE 24/7 Tech Support & More!

## + **Total Tune-Up • \$49.95:**

Is your computer running slow? It might be time for a tune-up! Just like your car, you need regular maintenance to keep things running smoothly. SecureIT's Total Tune-Up includes optimizing your entire computer including hard drive, memory, registry, Internet browser, Microsoft operating system, & software applications.

## + **Virus + Spyware Removal • \$89.95:**

If you skipped buying SecureIT Plus or other virus protection you could have a computer infected with viruses, spyware, & other malicious software applications that can affect how your PC runs. You may be bombarded with pop-ups, have slower Internet connections and other problems. This service cleans up your problems!

## + **Complete Care • \$109.95:**

Are you tempted to just throw your computer out the window?!?! If error messages, performance issues, viruses and spyware are driving you crazy - SecureIT Complete Care can help! This service combines the Total Tune-Up and Virus + Spyware Removal services for less stress & a better price!

## **OTHER SERVICES:**
